## INTERNAL AUDITOR'S REPORT TO THE MEMBERS OF EATON PARISH COUNCIL

I have carried out the internal audit in accordance with recommended practice in respect the year ended 31<sup>st</sup> March 2016. The audit indicated that the Council's procedures are being properly followed and that the Council is compliant with The Transparency Code.

However I recommend that where the Council receives grant aid for a specific purpose the Council should consider ring fencing the grant received so that expenditure financed from the grant can be set against it in the accounts.

Finally may I express my thanks to the Clerk for the cooperation given during the audit process.
