21/2638

Cemetery / Churchyard paths:

Two quotes had been obtained for the work required however one contractor had quoted for more than was needed and would therefore need to requote, the Clerk imagined that the final price would be around £1200.00 / £1400.00. As the work needed doing for Health & Safety reasons it was left with the Clerk to arrange as soon as possible using best value.

21/2639

Trees in Churchyard / Cemetery

Two quotes had been obtained and there was a substantial difference between the quotes after discussion it was suggested we write to Friends of St Denys and ask if they were prepared to pay the difference between the two quotes. Two quotes had also been received for trimming and shaping trees in the cemetery there was little difference between the quotes and it was agreed if possible to have the two jobs carried out by the same contractor.

21/2640

Bridleway F18:

It was agreed that as there had been considerable opposition to the proposal the Parish Council should support the views of Parishioners and a letter would be sent to that effect.

21/2641

Eaton

Commemoration Day – Lancaster Bomber

Cllr Allen advised that the event was well supported in numbers but short of sponsorship money and still required funding, having donated £250.00 it was felt that the Parish Council could not help a great deal more. It was eventually agreed to make a further donation of £100.00.

Allotments

A letter had been sent to Mr. Livermore regarding the condition of his two allotments at School Gardens, he had responded that he could not meet the deadline given. It was agreed to respond by giving him a longer time until September to clear his plots and if not he would forfeit his deposit. Mrs Feeney had taken down the 6ft fence from around her allotment and replaced it with something of a lesser nature.
