Eaton:

No issues raised other than the damaged trees in the cemetery as previously noted.

21/2560

Eastwell:

Cllr Nelson had raised the matter of a footpath to Eastwell X roads under the Precept discussion and this would be debated at the next meeting.

21/2561

Goadby Marwood:

Cllr Greasley had raised the matter of first aid boxes to go with the defibrillators and it was thought this was a reasonable idea but might present problems, regarding either people misusing what was supplied and then trying to claim from the Council or theft of the contents. It was therefore thought that a basic box could possibly be provided Cllr Greasley to look into what was available.

Cllr Greasley also asked regarding maps of Bridleways in the Parish and it was suggested the County Council website might be the answer.

21/2562

Emails - previously circulated, and issues raised for next Month' s agenda:

The Chairman expressed his keenness to get the 5 year plan in place as soon as possible and suggested a remit should be developed for each task before the next meeting and suggested that it would be good to involve parishioners on the order the task were undertaken.

The question of finding someone to fill the Councillor vacancy was raised and Cllr Bettley thought he knew someone who might be interested and volunteered to contact them
